

This is a digital copy of a book that was preserved for generations on library shelves before it was carefully scanned by Google as part of a project to make the world's books discoverable online.

It has survived long enough for the copyright to expire and the book to enter the public domain. A public domain book is one that was never subject to copyright or whose legal copyright term has expired. Whether a book is in the public domain may vary country to country. Public domain books are our gateways to the past, representing a wealth of history, culture and knowledge that's often difficult to discover.

Marks, notations and other marginalia present in the original volume will appear in this file - a reminder of this book's long journey from the publisher to a library and finally to you.

### Usage guidelines

Google is proud to partner with libraries to digitize public domain materials and make them widely accessible. Public domain books belong to the public and we are merely their custodians. Nevertheless, this work is expensive, so in order to keep providing this resource, we have taken steps to prevent abuse by commercial parties, including placing technical restrictions on automated querying.

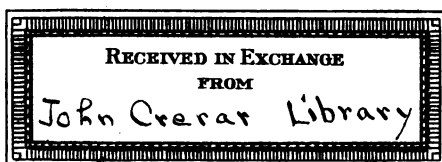

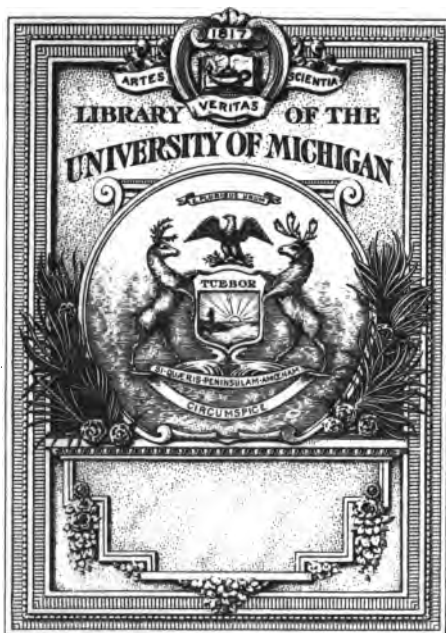

We also ask that you:

- + *Make non-commercial use of the files* We designed Google Book Search for use by individuals, and we request that you use these files for personal, non-commercial purposes.
- + *Refrain from automated querying* Do not send automated queries of any sort to Google's system: If you are conducting research on machine translation, optical character recognition or other areas where access to a large amount of text is helpful, please contact us. We encourage the use of public domain materials for these purposes and may be able to help.
- + *Maintain attribution* The Google "watermark" you see on each file is essential for informing people about this project and helping them find additional materials through Google Book Search. Please do not remove it.
- + *Keep it legal* Whatever your use, remember that you are responsible for ensuring that what you are doing is legal. Do not assume that just because we believe a book is in the public domain for users in the United States, that the work is also in the public domain for users in other countries. Whether a book is still in copyright varies from country to country, and we can't offer guidance on whether any specific use of any specific book is allowed. Please do not assume that a book's appearance in Google Book Search means it can be used in any manner anywhere in the world. Copyright infringement liability can be quite severe.

On motion of Mr. Bunn,

Mr. Hirsheimer was selected as temporary chairman, and Mr. O. C. Moore as temporary secretary.

Mr. Faxon moved that the chairman appoint a committee of five on permanent organization and on formation of the standing committees.

The motion prevailed, and

The chairman appointed Messrs. T. B. F. Smith, Hez G. Henry, Wm. H. Malone, J. J. Viterna and Louis D. Hirsheimer.

Mr. Smith moved that the chairman appoint a committee of five to prepare rules for the use of the board.

The motion prevailed, and

The chairman appointed Messrs. George S. Faxon, Joseph F. Bunn, Dennis F. Sullivan, Charles W. Secord and John E. Shackelton.

On motion of Mr. Secord,

The board took a recess of one hour.

The board was called to order by the temporary chairman at the close of the recess.

The Committee on Rules reported through its chairman, Mr. Faxon, as follows:

SPRINGFIELD, ILLINOIS, August 14, 1917.

*To the Honorable State Board of Equalization.*

GENTLEMEN: The committee appointed by you to draft and report rules for the State Board of Equalization, respectfully reports that they unanimously recommend the adoption by the State Board of Equalization of the following rules of order:

**RULE 1.**—The chairman shall take the chair at the hour to which the board may have adjourned: *Provided*, that in the absence of the chairman, the board may elect one of its members temporary chairman, who shall preside, have the same powers, and perform the same duties as the chairman; shall immediately call the board to order, and on appearance of a quorum shall cause the minutes of the preceding meeting to be read, and the following order of business to be observed:

*First*—Petitions and communications.

*Second*—Reports of committees.

*Third*—Resolutions.

**RULE 2.**—The chairman shall decide all questions of order, subject to an appeal to the board at the request of any two members. When an appeal is taken the chairman may address the board upon the point of order in dispute, and the question shall be put, "Shall the decision of the chair stand?"

**RULE 3.**—When a motion is made and seconded, it shall be stated by the chairman or secretary before being debated.

**RULE 4.**—Every motion shall be reduced to writing, if the chairman or any member requires it, and any member may call for a statement of the question, which the chairman may give sitting.

**RULE 5.**—After a motion is stated by the chairman or read by the secretary, it shall be considered as in the possession of the board, but may be withdrawn by the member making the motion by leave of the board, before decision.

**RULE 6.**—While the chairman is putting the question, no member shall walk across the room, and while a member is speaking, no member shall pass between the member speaking and the chair.

**RULE 7.**—When a member is about to speak in debate, he shall rise from his seat and address the chair, and when two or more members shall rise at the same time, the chairman shall name the member who shall speak first.

**RULE 8.**—No member shall speak more than twice on the same question, nor more than once without leave of the board, until every member wishing to speak shall have spoken.

**RULE 9.**—When the debate or discussion of a question shall have been concluded, the chairman shall put the question in this form, to wit: You who are of the opinion (as the case may be) say "Aye," those of the contrary opinion say "No"; and the yeas and nays may be called and entered upon the journal at the request of any member.

**RULE 10.**—If the chairman doubt, or a division be called for, the members shall decide by rising—those in the affirmative first, and afterwards the negative—and the chairman shall determine by count, telling the number.

**RULE 11.**—Every member present when the question is put shall vote, unless excused by the board.

**RULE 12.**—In case there is not a quorum present, any number of members shall have power to adjourn; six to call the board to order and send for the absent members.

**RULE 13.**—Upon the call of the board, the names of the members shall be called by the secretary and the absentees noted; and absentees may be excused by the chairman when, in his judgment, the excuse is valid.

**RULE 14.**—No member shall absent himself from the board without leave, and all resolutions shall be referred to the Committee on Resolutions without debate, who shall consider same and report to the board some time during the session.

**RULE 15.**—When a question is under consideration no motion shall be received except to postpone, lay on the table, amend the previous question, commit or adjourn.

**RULE 16.**—A motion to adjourn shall always be in order and shall be decided without debate.

**RULE 17.**—The previous question shall be put in this form: "Shall the main question be now put?" and until it is decided shall preclude all amendments or debate. When, on taking the previous question, the board shall decide that the main question shall not now be put, the main question shall be considered as still remaining under debate. The effect of the main question being ordered, shall be to put an end to all debate, and bring the board to a direct vote—first upon all amendments reported or pending, being first applied to the amendment last moved, and then on the main question. The board may, at any time, by a majority vote, close all debate upon a pending amendment or an amendment thereto, and cause the question to be put thereon, and this shall not preclude further amendment or debate upon the main subject.

**RULE 18.**—Any member may call for a division of the question when the sense will admit of it; and when the question be considered divisible by the chair, the same shall be divided, from which decision of the chair an appeal may be taken by any member as a point of order.

**RULE 19.**—In forming the committee of the whole the chairman may leave the chair and appoint a chairman to preside.

**RULE 20.**—The rules of proceedings in the board shall be observed in the committee of the whole, so far as may be applicable.

**RULE 21.**—In all cases not provided for in these rules, the rules of parliamentary practice comprised in Cushing's Manual shall govern.

**RULE 22.**—The board shall appoint from its membership, the following standing committees, to be comprised of seven members on each committee, viz:

*First*—Committee on Equalization of Personal Property.

*Second*—Committee on Equalization of Lands.

*Third*—Committee on Equalization of Town and City Lots.

*Fourth*—Committee on the Assessment of Capital Stock of Corporations.

*Fifth*—Committee on the Assessment of Railroad Property (including the capital stock of railroads).

*Sixth*—Committee on General Equalization.

*Seventh*—Committee on Resolutions.

*Eighth*—Conference Committee, whose duty it shall be to fix dates for adjournment and for reconvening of the board and such other matters as may be referred to it for consideration. The seven chairmen of the said committees of the board, and the chairman of the Committee on Rules and the chairman of the Committee on Permanent Organizations, shall ex officio comprise the Conference Committee.

Said committees shall be appointed by the board and shall not be changed during the present membership of this board, except to fill any vacancy that may occur by death or resignation, and in the event of such a vacancy, the same shall be filled by a majority of the committee on which such vacancy occurs.

**RULE 23.**—Upon the completion of the work of either of the first three mentioned committees, their report shall be submitted to the board where said reports shall be open to alteration or amendment by the board, or in committee of the whole, for at least forty-eight hours after the same has been reported, after which it may be referred to the Committee on General Equalization.

**RULE 24.**—After the report of the first three named committees shall be referred to the Committee on General Equalization, it shall be the duty of the said committee to compare the values of the different classes of property with each other and make such alterations as said committee shall find necessary to equalize the different classes of property with each other and report its action thereon to the board: *Provided*, that for a more equitable equalization of the different classes of property as aforesaid, if it is thought

necessary by said committee to make any change in the classification of property, as found in the several reports, such changes shall be reported to the board for instructions thereon before making final report.

**RULE 25.**—When the committees on the assessment of railroad property and capital stock of corporations make their final reports, said reports shall lie over two days for the inspection of the members of the board.

**RULE 26.**—That a committee of three be appointed by the chairman of the board, to be designated as the Auditing Committee, whose duty it shall be to investigate and report all expenditures of money ordered by the board.

**RULE 27.**—That the hour of meeting of this board, unless otherwise ordered shall be 9:00 a. m.

**RULE 28.**—These rules may be altered or amended by a vote of two-thirds of the board, by the member or members wishing such changes or amendments giving one day's notice of the same in writing setting forth the changes and amendments contemplated, and said rules may be suspended at any time by a two-thirds vote of the members present.

Respectfully submitted,

GEORGE S. FAXON, *Chairman.*

JOSEPH F. BUNN.

D. F. SULLIVAN.

CHAS. W. SECORD.

JOHN E. SHACKELTON.

The minutes of the previous meeting were read and approved.

Mr. Henry moved,

That in view of the fact that there will be a great many legal questions come before this board, it has been suggested that we have appointed a Committee on Legal Affairs to which will be referred all matters that

will be of interest to the board in regard to taxation, and that a committee of Messrs. Nightingale, Faxon and Fyke be appointed to confer with the Attorney General on any questions that may come up, and that such committee report on all such questions.

The motion prevailed.

On motion of Mr. Sullivan,

The board adjourned until 10 o'clock a. m. Tuesday, October 16, for committee work.

*Tuesday, October 16, 1917.*

Board met at 10:00 a. m.

The minutes of the previous meeting were read and approved.

Mr. Nightingale, chairman of the Committee on Legal Affairs, presented the following report of that committee:

*SPRINGFIELD, ILLINOIS, October 16, 1917.*

*To the Honorable State Board of Equalization.*

GENTLEMEN: Your Committee on Legal Affairs, to which was submitted the question as to whether paragraph 345, chapter 120, Hurd's Revised Statutes, 1915, being section 51 of "An Act for the assessment of property and providing the means therefor," approved February 25, 1898, in force July 1, 1898, repeals by implication paragraph 105 of said chapter, being section 105 of "An Act for the assessment of property and the levy and collection of taxes," approved March 30, 1872, in force July 1, 1872, begs leave to report that this question was referred to the Attorney General for his opinion, which opinion is following:

*SPRINGFIELD, October 15, 1917.*

*Hon. Harry T. Nightingale, Chairman Legal Committee, State Board of Equalization, Springfield, Illinois.*

DEAR SIR: The question submitted to me by your committee is whether paragraph 345, chapter 120, Hurd's Revised Statutes, 1916, being section 51 of "An Act for the assessment of property and providing the means therefor" and etc., approved February 25, 1898, in force July 1, 1898, repeals by implication paragraph 105 of said chapter, being section 105 of "An Act for the assessment of property and the levy and collection of taxes," approved March 30, 1872, in force July 1, 1872.

Said paragraph 345 is as follows:

"The State Board of Equalization may so lower or raise the total assessed value of property in any county as returned by the county clerk as shall make the property in such county bear a just relation to the assessed value of property in other counties of the State: *Provided*, that the total amount of such decrease or increase shall not exceed ten (10) per cent of the total assessed value of all property in the State as returned for purposes of taxation."

Said paragraph 105 is as follows:

"Said board shall assemble at the State Capital on the second Tuesday in the month of August, annually, and examine the abstracts of property assessed for taxation in the several counties of this State, as returned to the Auditor and shall equalize the assessments as hereinafter provided; but said board shall not reduce the aggregate assessed valuation in the State; neither shall it increase said aggregate valuation, except in such an amount as may be reasonably necessary to a just equalization, and not exceeding 1 per cent, on such aggregate assessed valuation; but this rule shall not apply to railroad property."

I have been unable to find any decisions wherein our Supreme Court has considered this question. Therefore my opinion must be based upon a consideration of the language of these sections, in the light of the principles of statutory construction.

Repeals by implication are not favored. In *People ex rel. Kelly v. Raymond*, 186 Ill., 407, at page 416, the court said:

"It is a maxim in the construction of statutes that the law does not favor a repeal by implication. The earliest statute continues in force unless the two are clearly inconsistent with and repugnant to each other, or unless in the later statute some express notice is taken of the former, plainly indicating an intention to repeal it; and where two acts are seemingly repugnant, they should, if possible, be so construed that the latter may not operate as a repeal of the former by implication." (Citing cases.)

Paragraph 349 of said chapter, being section 55 of the act of 1898, is as follows:

"All the provisions of the General Revenue Law in force prior to the taking effect of this act shall remain in force and be applicable to the assessment of property and collection of taxes except insofar as by this act is otherwise expressly provided."

Paragraph 105 confers upon the State Board of Equalization the power to equalize the assessment made in the several counties of the State "as hereinafter provided." There are three limitations of the exercise of this power; that the aggregate assessed valuation of the State shall not be decreased; that such assessed valuation shall not be increased except as reasonably necessary to adjust equalization; and that such increase shall not exceed 1 per cent of such aggregate assessed valuation for the State. The phrase, "as hereinafter provided," has reference to the provisions of paragraphs 105 to 113, inclusive of said chapter.

Therefore, at the time paragraph 105 was enacted, it is plain that the Legislature prescribed certain methods or rules to be followed in the process of equalizing, and also prescribed the limits of decrease or increase of the total assessed valuation for the State at large. To hold that the Legislature by paragraph 345 intended to repeal paragraph 105 is to hold that it intended to remove these restrictions as to method and as to the amount of increase or decrease and to invest the board with unlimited power to raise or lower the total assessed valuation in any amount not exceeding 10 per cent thereof, subject to only one condition: that such changes must be such as shall make the property in any county bear a just relation to the assessed value of property in other counties of the State. This would be a radical departure from the intent of the General Assembly expressed in paragraph 105; and in the absence of clear and unequivocal language such a departure of intent should not be lightly assumed.

Paragraph 105 imposed no limitation, other than those noted, upon the board in determining the amount of increase or decrease for any particular county. Within the limitations of the above statute, the board may fix the valuation of any particular county as it sees fit, under the methods or rules covered by the phrases, "hereinafter provided," for working out such equalization. The language of paragraph 345, preceding the proviso thereof, declares the power of the State board with reference to any county so as to "make the property of such county bear a just relation to the assessed value of property in other counties of the State." I see nothing therein which is inconsistent with paragraph 105. What is the effect of the proviso of paragraph 345? There is some room to question whether the words "total amount of such increase or decrease" refer to such total for the State or such total for any county. I think the reference is to the county. But conceding in argument that there is substantial basis for difference of opinion, the principle of construction is that in a case of doubtful meaning, the interpretation is to be adopted which will harmonize apparent conflicts. Therefore, in interpreting the proviso to apply to the total amount of increase or decrease for the particular county, I think the effect of paragraph 345 is intended to define or limit the powers of the board in raising or lowering the assessed value of property in any county.

The interpretation of paragraph 345 above stated harmonizes with the provisions of paragraph 105 but modifies the powers of the board therein expressed by prohibiting the board from either lowering or raising the total assessed valuation of any county to an amount exceeding 10 per cent of the total assessed value of all property in the State as returned for purposes of taxation. In other words, the two paragraphs, taken together, mean that the State Board of Equalization has the powers conferred and is restricted by the limitations imposed by paragraphs 105, and within those limits may so raise or lower the assessed valuation of any particular county that the total increase or decrease therein shall not exceed the 10 per cent limitation provided in paragraph 345.

I find on such investigation as I have been able to make, that the construction above stated is in harmony with the practical construction substantially followed by the State Board of Equalization ever since the enactment of paragraph 345 in the year 1898. A practical construction that has been followed for a period of twenty years, while not controlling, is entitled to serious consideration. In this case I think it is in harmony with the rules of statutory construction. My conclusion is that paragraph 345 is not inconsistent with and does not repeal paragraph 105 but modifies it only to the extent above indicated.

Very respectfully,

EDWARD J. BRUNDAGE, *Attorney General.*

Mr. Nightingale moved that the opinion of the Attorney General be accepted and placed in the files of the board, and that the same be spread on the minutes of this meeting.

The motion prevailed.

On motion of Mr. Faxon,

The Committee on the Equalization of Personal Property presented the following report through its chairman, Mr. Shackelton:

SPRINGFIELD, ILLINOIS, November 21, 1917.

*To the Honorable State Board of Equalization.*

GENTLEMEN: Your Committee on Equalization of Personal Property, respectfully reports as follows:

We have carefully compared the assessment of the personal property in the several counties of the State as shown by the returns made this year by the respective boards of review and assessors with one another, and we have ascertained the rate per cent of addition to or reduction from the assessed valuation as shown of personal property in each of the several counties of the State to bring the same to the State average.

We have also considered the relative value of personal property in the several counties and are of the opinion that the assessed value of the personal property in the several counties should remain as fixed by local assessors and boards of review.

Respectfully submitted,

JOHN E. SHACKELTON, *Chairman.*

THOMAS M. RYAN.

BRUNO S. MINDAK.

W. G. KENT.

D. F. SULLIVAN.

EDWARD W. HILKER.

The Committee on the Equalization of Lands, presented the following report through its chairman, Mr. Williams:

SPRINGFIELD, ILLINOIS, November 21, 1917.

To the Honorable State Board of Equalization.

GENTLEMEN: Your committee having charge of the equalization of lands, begs leave to report and herewith submits a tabulated statement of its work as a part of its report.

Your committee, after due deliberation and consideration is of the opinion that, excepting the changes noted in the attached sheets, which show an addition of 1 per cent in the following counties, viz: Carroll, JoDaviess, Stephenson, Whiteside, Henderson, Douglas, Brown, Calhoun, Cass, Greene, Jersey, Mason, Menard, Morgan, Pike, Scott, Christian, Macoupin, Montgomery, Sangamon, Clinton, Crawford, Effingham, Fayette, Jasper, Jefferson, Lawrence, Marion and Wabash, and an increase of 10 per cent in Richland County, and an increase of 4 per cent in Gallatin and Jackson Counties, and a reduction of 1 per cent in Clay, Edwards, Hamilton, Hardin, Johnson, Massac, Pope, Wayne, White, Lee and Ogle Counties, and a reduction of 5 per cent in Saline County, the assessed value of land in the various other counties of the State should remain as fixed by the various county boards of review.

Believing said assessed valuations to be just and equitable between the several counties of the State, we recommend that in addition to the above report a uniform raise of 1 per cent be made on all the lands of the State as equalized by this committee.

Respectfully submitted,

H. S. WILLIAMS, *Chairman.*

WM. T. HOLLENBECK.

W. G. KENT.

EDGAR E. FYKE.

CHARLES J. EWERTS.

FRANK A. WHARTON.

RALPH PROCTOR.

The Committee on the Equalization of Town and City Lots presented the following report through its chairman, Mr. Nightingale:

SPRINGFIELD, ILLINOIS, November 21, 1917.

*To the Honorable State Board of Equalization.*

GENTLEMEN: Your Committee on Equalization of Town and City Lots respectfully reports that they have carefully examined and considered the assessed valuation of town and city lots in the various counties of the State as fixed by the local assessors and county boards of review, and reported by the county clerks to the State Board of Equalization through the office of the State Auditor of Public Accounts.

Following the statute, your committee, in order to reach a more just and equitable equalization of town and city lots among the various counties hereby recommends the following alterations:

To be increased over the assessed valuation as returned by the county clerks of the following counties:

Grundy County by 1 per cent; LaSalle County by 1 per cent; Stephenson County by 2 per cent; Hancock County by 1 per cent; Rock Island County by 1 per cent; Warren County by 1 per cent; Adams County by 1 per cent; Fulton County by 1 per cent; Henry County by 1 per cent; DeWitt County by 1 per cent; Mason County by 1 per cent; Menard County by 1 per cent; Scott County by 1 per cent; Montgomery County by 1 per cent; Madison County by 1 per cent; St. Clair County by 1 per cent; Fayette County by 1 per cent; Marion County by 1 per cent; Richland County by 1 per cent; Wabash County by 1 per cent; Hamilton County by 1 per cent; Wayne County by 1 per cent; White County by 1 per cent; Pulaski County by 1 per cent.

Your committee further recommends that the assessed valuations as fixed by the local assessors and the county boards of review and returned by the county clerks to the State Board of Equalization through the office of the Auditor of Public Accounts, remain as returned in the following counties:

Cook, Lake, DuPage, Kane, McHenry, Will, Boone, DeKalb, Kendall, Winnebago, Carroll, JoDavies, Lee, Ogle, Whiteside, Henderson, McDonough, Mercer, Knox, Schuyler, Bureau, Marshall, Peoria, Putnam, Stark, Tazewell, Ford, Livingston, Logan, McLean, Woodford, Clark, Cumberland, Edgar, Iroquois, Kankakee, Vermillion, Champaign, Coles, Douglas, Macon, Moultrie, Platt, Shelby, Brown, Calhoun, Cass, Greene, Jersey, Morgan, Pike, Christian, Macoupin, Sangamon, Bond, Monroe, Washington, Clinton, Crawford, Effingham, Jasper, Jefferson, Lawrence, Clay, Edwards, Gallatin, Hardin, Johnson, Massac, Pope, Saline, Alexander, Franklin, Jackson, Perry, Randolph, Union and Williamson.

Respectfully submitted,

HARRY T. NIGHTINGALE, *Chairman.*

FRANK A. WHARTON.

D. F. VELDE.

BRUNO S. MINDAK.

THOMAS M. RYAN.

WM. T. HOLLENBECK.

The Committee on the Assessment of Capital Stock of Corporations Other than Railroads presented the following report through its chairman, Mr. Bunn:

SPRINGFIELD, ILLINOIS, November 28, 1917.

*To the Honorable State Board of Equalization.*

**GENTLEMEN:** Your Committee on the Assessment of Capital Stock of Corporations have carefully examined the sworn statement of capital stock schedules and other evidence laid before it, begs leave to report the result of its labors in schedules "A" and "B," which are made a part of this report.

Schedule "A" shows the valuation and the assessment upon the capital stock, including the franchise of companies and associations therein named, which have made a return showing the assessment against such corporation of its tangible property, as required by section 32 of the Revenue Law. In all such cases your committee made an assessment of the capital stock, including the franchise, and has deducted therefrom the assessed value of the tangible property assessed by the local assessor.

Schedule "B" contains a list of corporations not making or causing to be made, the sworn statement of capital stock required by section 32 of the Revenue Law, and in all such cases your committee made a net assessment of the capital stock including the franchise, over and above the equalized assessed value of the tangible property assessed by local assessors. In all cases in said schedule "B" the assessment of the capital stock, including the franchise, is an assessment in addition to and over and above any assessment of tangible property of such corporation which may have been made by the local assessor.

Respectfully submitted,

JOSEPH F. BUNN, *Chairman.*

LEONARD WITTHALL.

E. W. HILKER.

H. S. WILLIAMS.

J. J. VITERNA.

FRED W. YOUNG.

LOUIS D. HIRSHEIMER.

*Committee on the Assessment of the Capital Stock of Corporations.*

The Committee on General Equalization presented the following report through its chairman, Mr. Malone:

SPRINGFIELD, ILLINOIS, November 28, 1917.

*To the Honorable State Board of Equalization.*

GENTLEMEN: Your Committee on General Equalization to which was referred reports of the Committees on Equalization of Personal Property, Equalization of Town and City Lots, Equalization of Lands assessed in the various counties, respectfully reports as follows:

That the report of the Committee on Equalization of Personal Property was not altered by this committee, but was approved and adopted as presented.

That the report of the committee on Equalization of Town and City Lots was not altered by this committee, but was approved and adopted as presented.

That the report of the Committee on Equalization of Lands was approved in part and altered in part by this committee. This committee approves that part of said report which provides for special increases in the assessed value of lands in the counties of Carroll, JoDaviess, Stephenson, Whiteside, Henderson, Douglas, Brown, Calhoun, Cass, Greene, Jersey, Mason, Menard, Morgan, Pike, Scott, Christian, Macoupin, Montgomery, Sangamon, Clinton, Crawford, Effingham, Fayette, Jasper, Jefferson, Lawrence, Marion, Wabash, Richland, Gallatin and Jackson, and reductions in the assessed values of lands in the counties of Lee, Ogle, Clay, Edwards, Hamilton, Hardin, Johnson, Massac, Pope, Wayne and White, said changes being made to properly equalize the assessed value of lands in the different counties of the State; but this committee is of the opinion that in order to properly equalize the assessed value of lands in this State with the other classes of property, that the assessed value of all lands in this State should be given an additional increase of 3 per cent and after taking into consideration the special adjustments recommended by the Committee on Equalization of Lands hereinabove referred to, this committee recommends that the net increase or deductions from the assessed value of lands in all of the counties of the State be as follows:

An increase of 3 per cent on the assessed value of lands in the following counties:

Adams, Alexander, Bond, Boone, Bureau, Champaign, Clark, Coles, Cook, Cumberland, DeKalb, DeWitt, DuPage, Edgar, Ford, Franklin, Fulton, Grundy, Hancock, Henry, Iroquois, Kane, Kankakee, Kendall, Knox, Lake, LaSalle, Livingston, Logan, Macon, Madison, Marshall, McDonough, McHenry, McLean, Mercer, Monroe, Moultrie, Peoria, Perry, Platt, Pulaski, Putnam, Randolph, Rock Island, Schuyler, Shelby, Stark, St. Clair, Tazewell, Union, Vermillion, Warren, Washington, Will, Williamson, Winnebago and Woodford.

An increase of 7 per cent on the assessed value of lands in the counties of Gallatin and Jackson.

An increase of 4 per cent on the assessed value of lands in the following counties:

Brown, Calhoun, Carroll, Cass, Christian, Clinton, Crawford, Douglas, Effingham, Fayette, Greene, Henderson, Jasper, Jefferson, Jersey, JoDaviess, Lawrence, Macoupin, Marion, Mason, Menard, Montgomery, Morgan, Pike, Sangamon, Scott, Stephenson, Wabash and Whiteside.

An increase of 2 per cent on the assessed value of lands in the following counties:

Clay, Edwards, Hamilton, Hardin, Johnson, Lee, Massac, Ogle, Pope, Wayne and White.

An increase of 13 per cent on the assessed value of lands in the county of Richland.

A deduction or decrease of 2 per cent on the assessed value of lands in the county of Saline.

That your committee respectfully reports the result of its work in the following tables, viz:

Table "A" shows the assessed value and the equalized value of each class of property assessed in counties other than railroad property.

Table "B" shows the assessed value and the equalized value of each class of property belonging to railroads which was assessed in counties.

Table "C" shows the rate per cent of addition to, or deduction from the assessed value of each class of property other than railroad property.

Table "D" shows the rate per cent of addition to or deduction from the assessed value of each class of railroad property assessed in counties.

We recommend that the rate per cent as set forth in tables "A," "B," "C" and "D" be adopted by the board as producing a proper equalization of the property in the several counties of the State for the year 1917.

Respectfully submitted,

WM. H. MALONE, *Chairman.*

CHAS. W. SECORD.

W. G. KENT.

EDGAR E. FYKE.

## RULES OF ORDER.

---

**RULE 1.**—The chairman shall take the chair at the hour to which the board may have adjourned: *Provided*, that in the absence of the chairman, the board may elect one of its members temporary chairman, who shall preside, have the same powers, and perform the same duties as the chairman; shall immediately call the board to order, and on appearance of the quorum shall cause the minutes of the preceding meeting to be read, and the following order of business to be observed:

*First*—Petitions and communications.

*Second*—Reports of committees.

*Third*—Resolutions.

**RULE 2.**—The chairman shall decide all questions of order, subject to an appeal to the board at the request of any two members. When an appeal is taken the chairman may address the board upon the point of order in dispute, and the question shall be put, "Shall the decision of the chair stand?"

**RULE 3.**—When a motion is made and seconded, it shall be stated by the chairman or secretary before being debated.

**RULE 4.**—Every motion shall be reduced to writing, if the chairman or any member requires it, and any member may call for a statement of the question, which the chairman may give sitting.

**RULE 5.**—After a motion is stated by the chairman or read by the secretary it shall be considered as in the possession of the board, but may be withdrawn by the member making the motion by leave of the board, before decision.

**RULE 6.**—While the chairman is putting the question, no member shall walk across the room, and while a member is speaking no member shall pass between the member speaking and the chair.

**RULE 7.**—When a member is about to speak in debate, he shall rise from his seat and address the chair, and when two or more members shall rise at the same time, the chairman shall name the member who shall speak first.

**RULE 8.**—No member shall speak more than twice on the same question, nor more than once without leave of the board until every member wishing to speak shall have spoken.

**RULE 9.**—When the debate or discussion of a question shall have been concluded, the chairman shall put the question in this form, to-wit: You who are of the opinion (as the case may be) say "Aye," those of the contrary opinion say "No," and the yeas and nays may be called for and entered upon the journal at the request of any member.

**RULE 10.**—If the chairman doubt, or a division be called for, the members shall decide by rising—those in the affirmative first, and afterwards the negative—and the chairman shall determine by count, telling the number.

**RULE 11.**—Every member present when the question is put shall vote, unless excused by the board.

**RULE 12.**—In case there is not a quorum present, any number of members shall have power to adjourn; six to call the board to order and send for the absent members.

**RULE 13.**—Upon the call of the board, the names of the members shall be called by the secretary and the absentees noted; and absentees may be excused by the chairman when, in his judgment, the excuse is valid.

**RULE 14.**—No member shall absent himself from the board without leave, and all resolutions shall be referred to the Committee on Resolutions without debate, who shall consider same and report to the board some time during the session.

**RULE 15.**—When a question is under consideration no motion shall be received except to postpone, lay on the table, amend the previous question, commit or adjourn.

**RULE 16.**—A motion to adjourn shall always be in order and shall be decided without debate.

**RULE 17.**—The previous question shall be put in this form: "Shall the main question be now put?" and until it is decided shall preclude all amendments or debate. When, on taking the previous question, the board shall decide that the main question shall not now be put, the main question shall be considered as still remaining under debate. The effect of the main question being ordered, shall be to put an end to all debate, and bring the board to a direct vote—first upon all amendments reported or pending, being first applied to the amendment last moved, and then on the main question. The board may, at any time, by a majority vote, close all debate upon a pending amendment or an amendment thereto, and cause the question to be put thereon, and this shall not preclude further amendment or debate upon the main subject.

**RULE 18.**—Any member may call for a division of the question when the sense will admit of it; and when the question be considered divisible by the chair, the same shall be divided, from which decision of the chair an appeal may be taken by any member as a point of order.

**RULE 19.**—In forming the committee of the whole the chairman may leave the chair and appoint a chairman to preside.

**RULE 20.**—The rules of proceedings in the board shall be observed in the committee of the whole, so far as may be applicable.

**RULE 21.**—In all cases not provided for in these rules, the rules of parliamentary practice comprised in Cushing's Manual shall govern.

**RULE 22.**—The board shall appoint from its membership, the following standing committees, to be comprised of seven members on each committee, viz:

*First*—Committee on Equalization of Personal Property.

*Second*—Committee on Equalization of Lands.

*Third*—Committee on Equalization of Town and City Lots.

*Fourth*—Committee on the Assessment of Capital Stock of Corporations.

*Fifth*—Committee on the Assessment of Railroad Property (including the capital stock of railroads.)

*Sixth*—Committee on General Equalization.

*Seventh*—Committee on Resolutions.

*Eighth*—Conference Committee, whose duty it shall be to fix dates for adjournment and for reconvening of the board and such other matters as may be referred to it for consideration. The seven chairmen of the said committees of the board, and the chairman of the Committee on Rules and the chairman of the Committee on Permanent Organization shall be ex-officio comprise the Conference Committee.

Said committee shall be appointed by the board and shall not be changed during the present membership of this board, except to fill any vacancy that may occur by death or resignation, and in the event of such vacancy, the same shall be filled by a majority of the committee on which such vacancy occurs.

**RULE 23.**—Upon the completion of the work of either of the first three mentioned committees, their report shall be submitted to the board where said reports shall be open to alteration or amendment by the board, or in committee of the whole, for at least forty-eight hours after the same has been reported, after which it may be referred to the Committee on General Equalization.

**RULE 24.**—After the report of the first three named committees shall be referred to the Committee on General Equalization, it shall be the duty of said committee to compare the values of the different classes of property

with each other, and make such alterations as said committee shall find necessary to equalize the different classes of property with each other, and report its action thereon to the board: *Provided*, that for a more equitable equalization of the different classes of property as aforesaid, if it is thought necessary by said committee to make any change in the classification of property, as found in the several reports, such changes shall be reported to the board for instructions thereon before making final report.

RULE 25.—When the committees on the assessment of railroad property and capital stock of corporations make their final reports, said reports shall lie over two days for the inspection of the members of the board.

RULE 26.—That a committee of three be appointed by the chairman of the board, to be designated as the Auditing Committee, whose duty it shall be to investigate and report all expenditures of money ordered by the board.

RULE 27.—That the hour of meeting of this board, unless otherwise ordered shall be 9:00 a. m.

RULE 28.—These rules may be altered or amended by a vote of two-thirds of the board, by the member or members wishing such changes or amendments giving one day's notice of the same in writing setting forth the changes and amendments contemplated, and said rules may be suspended at any time by a two-thirds vote of the members present.
